

Report your maintenance issues online!

We operate an online maintenance/repairs reporting system for your property.

To access the system please use the link below and ensure that you complete the report as thoroughly as possible with a full description and photographs of the issue.

<https://anthea-lettings.fixflo.com/>

Except in the case of emergencies (which must continue to be reported by telephone) maintenance/repair issues reported in this way will be given priority over emails or phone calls.
